

April 5-8, 2020  
Saint-Malo, France

36<sup>th</sup> International Symposium on Microscale Separations and Bioanalysis

CALL FOR ABSTRACTS

## Abstract submission is now open

Join us April 5-8, 2020 for the **36<sup>th</sup> International Symposium on Microscale Separations and Bioanalysis (MSB 2020)** at "Palais du Grand Large" in Saint-Malo, France.

MSB promises a friendly meeting format to discuss cutting-edge research in separation sciences, ranging from fundamental developments to applications that impact health, medicine, food, environment and beyond.

MSB 2020 will feature stimulating pre-conference workshops and short courses, distinguished plenary speakers, as well as parallel sessions on diverse topics in **Microscale Separations and Bioanalysis**.

Experience a different analytical symposium. [Check out the unique features of MSB 2020 on our website.](#)

### SUBMIT YOUR ABSTRACT ON THE FOLLOWING TOPICS:

- Portable and purpose-made devices
- Point-of-care devices, innovation in microfluidics and precision medicine
- Miniaturized sample preparation techniques
- Organ- and cell-on-chip
- Biosensors, instrumentation and applications
- CE-MS advances in instrumentation
- Bioaffinity chromatography, monoliths and IMERS
- Biopharmaceuticals
- Food, Beverages, Nutrition and Health
- Biomarkers; clinical, diagnostic and forensic applications
- Pharma and drug development
- Electrodriven separations – AFSEP Session (French speaking society on separation science)
- Environmental analysis
- Comprehensive omics

**Submit your abstract before December 1<sup>st</sup> to be considered for an oral presentation!**

*Requirements: Submitted abstracts will be reviewed by the MSB2020 Organizing Committee and Session Organizers in a double-blind manner. The reviewers will not have access to your name, institution or position status. A review will be based solely on the information provided in the abstract. Four criteria will be used to score each abstract: Originality, Technical Description, Significance, and Fit to the sessions.*

### PLENARY SPEAKERS

**Coral Barbas**

Universidad San Pablo CEU,  
Madrid - Spain

**Molly M. Stevens**

Imperial College  
London - Great Britain

**Ruedi Aebersold**

ETH Zurich and Faculty of Science  
University of Zurich - Switzerland

## KEY DATES

Abstract submission open: *July 21<sup>st</sup>, 2019*

Registration open: *October 1<sup>st</sup>, 2019*

Deadline for abstract submission: *December 1<sup>st</sup>, 2019*

Registration early bird deadline: *January 15<sup>th</sup>, 2020*

## SYMPOSIUM CHAIRS

**Prof. Serge RUDAZ**  
UNIVERSITÉ DE  
GENEVE  
Switzerland

**Prof. Myriam TAVERNA**  
UNIVERSITÉ PARIS  
SUD  
France

*First sponsors of MSB 2020:*

Agilent Technologies

### PCO - Professional Congress Organizer

Thierry GUERMONPREZ - CEYZ  
12, rue Alexandre Fourny - F 44230 ST SEBASTIEN
